

June 5 1871

Dear Wright

Thanks for yours of 1<sup>st</sup>  
 just found them on return from  
 Sunday at Beverly - with your  
 letter from Cuba I found  
 that I found also Parry's letter.  
 Will you drop the San Domingo  
 plants for 8 dollars a page.

Shall you be here before  
 I go - on Saturday - or  
 not till after I get back -

the 19<sup>th</sup> or 20<sup>th</sup>. Take your  
 choice but let me know.

If you come & set to work  
 with me I shall be pleased  
 & you shall take time to distribute  
 your San Domingo plants. If  
 you study them for Parry or  
 Washington - that will take  $\frac{1}{2}$   
 your time for some months.  
 But 8 dollars a page for 80  
 pages or so, would fairly pay  
 what presses me most is  
 work in Garden, many to things

I mean and I much  
wish you would take hold  
and help an unworthy fellow

Ever Yours  
Albany

Stipules always right  
to come off with leaf  
being a part of it  
But we will say  
free or almost so  
in my dated
