Prof Gray

Dear Sir

I have just received a letter from my brother informing me that he has at last heard from home & the letter received by him was superscribed as I wrote you a short time since showing that being thus addressed our letters reach him whereas otherwise they do not.

He writes me again to the same of visiting Cuba and that if so it would be a good opportunity to send him a supply of cloathing.

If you should conclude to do so will you be so good as to give me a ~~little~~

timely notice of your departure
- that I may prepare a
few things for him.

I have to day received a
line from you inclosing one
from him and hereby recipi-
-tate the favour by sending
one from him to you.

Another favor I would
ask of you. My brother wishes
me to send a barrel of Buck
wheat flour to Mr. Lascalle
and I have forgotten his
first name - ~~but~~ you refresh
my memory and oblige.

Yours Respectfully

John G. Wright
