

DEPARTMENT OF BOTANY
EASTERN ILLINOIS STATE NORMAL SCHOOL
CHARLESTON, ILLINOIS

June 1, 1914.

Miss Mary A. Day,
Library, Gray Herbarium,
Cambridge, Mass.

Dear Madam: The Transactions of the Illinois Academy of Science have been published annually for six years. I am the Secretary at the present time and should be glad to arrange an exchange of publications. I had anticipated bringing the matter up at a council meeting which was to have been held today, but which has been postponed, hence the delay in answering your inquiry. I will send you separates of the papers I have published, and I am sure that the Academy would be glad to exchange regularly.

Yours very truly

E. N. Transeac

Secretary

Illinois Academy of Science.
