

Charlotte, Vermont.

Feb. 16th, 1878.

Dr. Asa Gray,

My Dear Sir;

I have the pleasure to acknowledge the receipt in due course of the box containing the Gay plants. The specimens fully meet my expectations in respect to quality and value. There are, however, a great many more than I looked to receive for what I sent you; please tell me what more I should do for you and your friends to get some for these useful plants. In my former letter I proposed 1.50 for the fruit - for the species I sent and 1.00 per pair for this special use more plants.

Yours sincerely,

C. G. Pringle.
