

Charlotte, Vermont.

25 Feb. 1883.

Dear Mr. Watson:

If you have call for more of Dr. Palmer's sets than exist, please let me know; for I may be willing to part with the one I bought, which is still intact.

Since I have made up my mind to return as soon as practicable to the Southwest (believing organising in summer more pleasant than building an herbarium, where there is no demand for me,) I may need the money more than these Mexican plants. Please tell me where to find their names beyond your Cont. and manuscript. Yours Sincerely,
C. C. Pringle.
