MEMORANDUM.

CABLE ADDRESS,
HORSFORD, CHARLOTTE, VERMONT.

To.....

Charlotte, Vermont, A. S. A., 16, March, 1886.

Dear Dr. Gray,

I must write once more to tell you that I have another kind and full letter from Dr. Palmer, in which he tells me that the rich field "150 miles north of Batopilas" is the vicinity of the Indian village of Norogachie! It is on the trail from Chihuahua to Batopilas, about mid-way between the two places. I was introduced to the chief of the village last spring in the house of a mutual friend in Chihuahua, and would have visited the region, had I been able to carry out my plans. So now my way seems plain. Yours faithfully,

C. G. Pringle.
