

Charlotte, Vermont.

26, April, 1888.

Dear Mr. Watson,

As the season for planting
in the open ground is approaching,
I send you more bulbs of the Tigridia
and Tuphyranthus (?), fearing they may
not have forced well, and add
bulbs, roots, or cuds of a good many
other Mexican plants, which you and
Mr. Manda may be pleased to grow.

Yours faithfully,
Pringle.
