

Charlotte, Vermont.

24. March, 1889.

Dear Mr. Watson:

Here are the rest of the tickets for the specimens kindly determined by you.

I have got-confused over the two species of *Santana* and their numbers, and beg you to set-me right by the numbered list enclosed with this.

And, just-one thing more, please advise me about Mr. John Ball of Endore. I get no reply from him, and presume that he is abroad. Do you think that I should send a set to him?

My 40 sets will hardly "go around".

Yours faithfully,

C. G. Pringle.
