

October 30, 1924.

Dr. Paul C. Standley,  
U. S. National Museum,  
Washington, D.C.

Dear Sir:-

Under separate cover I am forwarding to you a bundle of Cryptogams and Phanerogams which came to us together with some orchids with directions to send the former classes to you. They come from Mr. C H. Lankester, of Las Concavas, Cartago, Costa Rica.

Except for fumigation they are in just the condition in which they arrived. The enclosed labels came with the plants.

Yours very truly,

Assistant to Prof. Oakes Ames.
