

Oct. 8, 1946.

Mr. Martin Schneider,
Apartado nacional 655,
Bogotá, Colombia.

Dear Mr. Schneider:

Under separate cover I am sending a package containing my Peruvian orchid papers so far published in the series Orchid^{ace}anae Peruviana. I shall bear in mind your desire for later articles on this general region.

I have just received your interesting collection of Colombian orchids which were brought up here by Mrs. Shiefer Garcia and bought for the Harvard Botanical Museum by Dr. Edgar Seeler. You will receive the recompence from Mrs. Garcia on her return to Colombia. Your drawings and extra notes (the latter received last spring) will be of material aid.

With best wishes, I am

Sincerely yours,

Charles Schweinfurth
