

Seguatepeque,
Rep. of Honduras, C.A.

October 14th., 1932.

My dear Professor Ames:

To-day I am sending you more specimens by Parcel Post. Package No. One contains the dried Orchid specimens and No. Two contains two bottles of Orchid specimens in liquid.

The dried specimens contain the numbers 243, 245 to 281 inclusive and No. A-50 which is material of the Indian Pipe requested by Gray's.

I hope that the shipment of Sept. 19th. has been received by you and that this shipment of to-day will arrive in good time and that you will be pleased with the specimens. The heavy rains continue and it is only about half the days that we are able to get into the field at all.

With best regards, I am,

Edwards, James B. 1932. "[Edwards, James B.] Oct. 14, 1932 [to O. Ames]."
