C. H. LANKESTER

LAS CONCavas

Cartago, Costa Rica, Dec 11th 1921

A Dr Oakes Ames.

305 Commonwealth Ave.

Boston.

70811 Imp. Alsina

My dear Ames.

Handley has turned up & was so kind as to pay a short visit here & it was indeed good to see him again, he is now I believe at Santa Maria, looking bigger & should make a great killing in that almost virgin district.

I have no acknowledgment of 3 lots of records & the camera sent to you for reconditioning, if the strong & silent Admiral has no time, could not the Fly Lieutenant send a word.

This mail will take you the last plates, if you want more wet specimens kindly replace, the following week I shall send you the pressed material in hand

With regards

As ever.

C. H. Lankester.
