Dear Dr. Kennedy

Dr. I thank you  
for the Flora of Willoughby?  
I quite feel as if I had  
seen the the portions of flora  
can make it so familiar -  
You must come to see you

Tom. Can you tell me where  
for the Botanical Tea & see  
you in connection with the  
150th Anniversary at Columbia  
Oct. 28th - 31st It is to be  
in the Science building on  
Friday afternoon and I am  
sure that you will enjoy  
meeting the botanists & seeing

Smelling the University. Many days can  
adapt quite an improving place.

I have had a pretty letter from Walter Deane  
which has given me much pleasure.

Wishing that we may see you and Mrs. Kennedy  
soon. Believe me

Very sincerely yours

Elizabeth G. Bittk
