

Cambridge Mass,
Dec 30-1883.

Dear Mr. Kennedy -

When Barnes was receiving subscriptions for the Gray Memorial, a letter would come every once in a while announcing an enclosure of 25 cts or more - but no money. I used to laugh at it and now the laugh is turned against me. I found yr trip ticket in my pocket after I had mailed yr letter. I met N. L. Britton at the Garden this P.M. He has published The Flora of N. J. and have made a revision of the Genus *Pcleria*.
Sincerely yr. Walter Deane.

Deane, Walter. 1885. "Deane, Walter 30 Dec 1885 1." *George Golding Kennedy correspondence*
