

Dear Mr Kennedy -

I have been trying for a week past to write to you. Mr. Morong is coming down next Monday Dec. 27<sup>th</sup>. He will get to the Gardens early and I shall go there to work too. At somewhere between one & two o'clock we return to my house to lunch. Then Mr. Morong generally retires with me to my Herbarium. He has some plants for me and I shall try to give him some duplicates for an English correspondent of his. Now can you come down and go to the Garden and meet us and then come to the house and we'll all have a nice chat and you will meet Mr. Morong? He returns home by about 4 P.M. and if you can stay on later I shall be happy -  
I have mounted since I saw

you about - 200 sheets and have  
just put into my mounting box  
nearly 100 sheets of grasses  
which I have lately pressed.  
Would you mind letting Hal  
bring my diary to school, ~~for~~  
on Wed. for I shall need it  
in making out labels for those  
duplicates & you shall have it  
again if you desire. I feel  
quite flattered at your desire  
to read it. I heard from  
Barnes lately. I read Henry  
I. to-morrow evening. So you  
see I am busy enough &

Sincerely yours

W. Deane,

Monday evening
