Dr. George G. Kennedy  
Readville, Mass.

Dear Sir:

Your order for Gray's Manual, 1st edition and also for the second edition has been duly received. I laid aside the books for you. In the catalogue the first edition was advertised as 1847 when it should have been 1848, a purely typographical error. However it is in all other respects as advertised. I write to you to see if there is a possibility of your not wanting the book. It is the very first edition however, 1848, there being no 1847 edition. It is rare and valuable.

I can also supply the 3rd edition of Gray's Manual, 1858, good clean copy, scarcely if ever used, binding slightly faded. It is I understand quite rare. \$3<sup>00</sup>, net. Pages all nice and clean. A copy sold last year at auction for \$3<sup>75</sup>, in poorer condition than this copy.

Mr. T. J. Fitzpatrick is out of the city and will be for some time. To avoid delay write directly to the undersign and your order will receive immediate attention. Yours truly,

25<sup>th</sup> Nov, ord the above  
3<sup>rd</sup> Ed sent with the  
order 1 + 2
