

317 Lamartine St  
Lamacee Plain, May 28. 1893

My dear Mr. Kennedy

Mr. Walter Deane informs me that  
you collected in Canada last summer  
a considerable quantity of *Carex*  
*miliaris* var. *aurea*. If you have  
any of it left & can spare me two  
or three specimens you will do  
me a great favor. I have only  
one specimen & that perhaps  
doubtful. Mine came from Moon-  
head Lake at outlet of the Kaimere.

Tomorrow morning I  
go to Ironconia N. H. to spend  
two or three weeks at the  
St. LaFayette House.

Sincerely yours

Edwin Fayson
