

Worcester,

Dec. 19, 1910

Dear Dr. Hensley,

I don't doubt but all
the herons have the habit so
frequently alluded to by Hensinger.
I would hardly be due to the effect
of the American climate on our
herons!

I am ever so much obliged to you
for sending the notation that I absent-
mindedly forgot to take last Friday.
Sincerely yours
W. Saxon
