

Leedsington, Feb. 5, 1911

Dear Dr. Kennedy,

I am ever so much
obliged to you for sending
me the Programmes. They
are very interesting and
valuable, the more so from
the fact that so few of these
things escape the waste-bas-
ket. I shall carefully preserve
them with others that I have,
and I hope, in such a shape
that ^{they} ~~that~~ will not be destroyed in
time to come.

I am sorry that the weather
has prevented yr visit to Lex.
Don't forget that a wood
fire on the hearth may
make us comfortable here
even if the weather be in-
clement out-of-doors.

Yrs sincerely
W. Emerson
