DEPUTY HEAD AND DIRECTOR,

MUSEUM AND OFFICES, SUSSEX STREET, OTTAWA.

Ottawa 21st Dec 1895

Dear Sir

My father wishes me to thank you for the very minute details you have sent of the locality at which you collected Woodwardia Virginica and Kalmia latifolia. Either one of us will try to visit the place during the coming summer but I shall print your notes in the ^{Canadian} Montreal Record of Science so that Montreal botanists may be able to look out for them. Again thanking you

for your trouble

Yours sincerely
