Dr. George G. Kennedy,  
Readville, Mass.

My dear Dr. Kennedy,-

I have quite recently found, and am now investigating, a case of distress in our neighborhood involving six children. It may be that through some steady employment the case can be taken care of. It may, on the other hand, be necessary to have some money for at least temporary relief.

If you feel like authorizing me to call on you for a few dollars, as may be required, won't you kindly indicate it on the enclosed postal card?

If, on the other hand, the matter does not appeal to you, rest assured that I shall perfectly understand receiving no reply, and shall remain, just the same

Sincerely yours,

*Felix Rackemann*
