

February 21-1909.

Mr. George S. Kennedy,  
Rendville, Mass.

My dear Mr. Kennedy:-

I am planning on a M. C. Natural  
History meeting for the evening  
of April 8<sup>th</sup> (possibly the 15<sup>th</sup>) to be  
held in the Club Room. I want  
a twenty minute paper on "Duds

and batons," illustrated with  
specimens. I trust the date is  
not too late for good specimens.  
The Cathartes & the Alders were  
beautiful all through Georgia  
last week. Will you kindly  
give us this paper?

I am asking Miss Pamela  
Adams of Brookline, to give  
a short paper on the "April  
Birds" the same evening, after

the paper, I hope we can have  
discussion, an exchange of out-  
door experiences, and a cup of  
chocolate. <sup>for</sup> The next day I  
am planning a Natural History  
walk.

Kindly answer to home address  
36 Longwood Avenue, Brookline, Mass.

Very truly

Harriet E. Richards
