

EDWARD L. RAND,
740 EXCHANGE BUILDING
53 STATE STREET,

BOSTON,

October 1st

1907

Dear Dr. Kennedy,

Thank you very much for your letter. Your promise of more frequent attendance at the Club meetings this winter is very cheering. How about Charles Faxon? At any rate it is a comfort to know from your letter that you see him if nobody else does.

Judging from the weather today we shall not be likely to see you Friday evening. If you can find any good weather you had better take advantage of it. We have not had much since August left us.

I am very sorry I missed any calls from you. I was away from the last few days of July to the last week in August, about a month. I had a pleasant time at Seal Harbor, but did not do much botanizing. When I botanize there nowadays I walk with the Blessed Shadles.

Hoping to see you soon, and with regards to C.E.F.

Sincerely
Edward L. Rand
