Mr. Walter Deane
29 Brewster Street
Cambridge, Mass.

Dear Mr. Deane:

As contributing editor to "Nature Magazine", I have founded a new order, viz., "The Order of Pan," membership in which is obtained by establishing unusually friendly relationships with birds. There are no dues, but each applicant is required to submit a photograph of himself or herself, together with the bird with which he has established such friendly relationship. These photographs are published from time to time in "Nature Magazine."

Not long ago I saw at the home of our mutual friend, Dr. Thorndike, a photograph of you entertaining a humming bird, and I am writing to ask if you would be willing to join "The Order of Pan" and send me a good print of that photograph, which I might use with a number of others in a future issue of "Nature."

With best regards, I am,

Yours very truly,

EHB:BH

Ernest Harold Baynes.
