We have had a most beautyfull fall here for many years, Our first snow to cover the ground came last wedⁿ 17th about 4" four inches the hunters are improving it but very little game has been brought in so far.

I suppose you have heard Mr Philbrooks is poorly again he left last sund 14th for Boston and Laurence told me Thursday he expected his Father to go to the Mass Genl Hospital Monday 23rd we are all so sorry to here of his condition hope he will come out much better. By-the-way I heard yesterday that Laurence has another girl Baby

Please tell your friend the star is a very
easy thing to grow the principle thing is
to keep it well watered and plenty of
light. Trusting this finds you and yours
well, and you will have a joyfull
Thanksgiving and many more to come

Very Truly yours
