

Middlebury, Vt., Jan 31 1880

My dear Mr. Jearns:

I have marked fifteen of the plants on your list thus (x) which I will ask you to send me. I have good specimens of the others. You may retain the *Camp. deflexa*, var *Jearnsii*. It was collected by C. G. Pringle. I have a specimen collected by him the year before, not as good as the one I sent you — but it will answer. You ought certainly to have a good specimen of your name sake.

Very truly Yours
Ezra Brainerd
