

Middlebury, Vt., Feb 15 1880

My dear Mr. Deane

I rec'd your plants some time since in good order, but have been too busy to examine them carefully, until today I am much interested in them esp. in *Carex echinata* var. *cephalantha* Bailey which is the same with a form I have collected in several localities in Vt.

*Cyperus Grayii* I collected ten years ago on Cape Cod. Hoping to make further exchanges in the future

I am very truly Yours

Ezra B. Brainerd
