13th Dec. 1923

Dear Mr. Deane,

Another year has all but rolled by
and the pleasure is mine once more to send you a
word of love and the best wishes for a happy
~~new~~ and bright new year. What with my
various Public Duties and attention at the
helm ^{in my own affairs} in these trying times under which the
country is passing my hand has
been full with scarcely any time I can
call my own. I have to report, however, that
my health is good and enjoys quite strong
which is, indeed, a great blessing.

My boy is having a hard fight at college try-
ing to make up lost time & I trust he
will not break down under it. He is as plucky
as usual and is determined to do his best.
With much love from us all and the promise
to write more fully soon. I am affectionately yours
W. L. Garrison
