

May 14-'26.

Friend Deane:

I have the specimen
of Lolidago Randii. Thanks!

Haven't collected a thing as
yet but hope to look up some
old acquaintances and search again
for Mitella prostrata in an enormous
acresage of M. difflua where our spe-
cimen of the former I was found some
thirty years ago. Sincerely,
E. N. Deane.

THIS SIDE OF CARD IS FOR ADDRESS

Mr. Walter Deane,
29 Brewster St.,
Cambridge,
Mass.

Eames, Edwin Hubert. 1928. "Eames, E.H. May 14, 1928 [Postcard]." *Walter Deane correspondence*
