

Readville
1900/3/29.

Dear Walter

The Eleocharis
is undoubtedly pygmaea
I have examined a
good spike with
plenty of fruit &
you will find it
in little envelope
in your pocket, with
the other solitary one,
which dont lose.

I shall ~~to~~ write to
Brammer to learn if
there is any other
record of it in Vermont.
I am glad to have it
on my will list.
Yrs G & K

Kennedy, George G. 1900. "Kennedy, George Golding Mar. 29, 1900." *Walter Deane correspondence*
