

4
Dear Sir
I have not access at present
to the two Mexican ferns for
plants after being examined have
sent to be given & after being given
are classified once each quarter
of a year. The name Polypodium
heterolobum was written as one
of the papers in which the specimen
was wrapped. I did not recognize
the plant. It was not in print.
New, April 26 1892, I G. Baker
