Cambridge, NEW YORK,

Geo. E. Davenport, Dear Sir;

As you see by the above address. I am in Cambridge and hope this time not to miss making your acquaintance personally and seeing your beautiful collection of ferns. I shall be here till the 31st of July and my husband expects to come on for a visit either the latter part of next week or the beginning of the following. Can we not arrange to see you then? - Any Sat. or Monday would be most convenient

to us, as Mr. Britton's visit will include a Sunday
probably the 18th of July. -

With regard to the gem
plate. Will you please order 700 copies
for us? If you will send the M.P.
here I will forward to our printer
with directions.

Very Sincerely

Elizabeth G. Britton
