Galleyrand Place, near
Jacksonville, Fla.,

Sept. 5 1884.

Gen. E. Devensport, Esq.

Dear Sir - I am engaged
in getting up a collection of woods,
ferns, etc. for the N.O. Exposition.
I wish to have all the ferns of Fla.
mounted on 22 x 28 cardboard,
but shall not be able to secure
Floridian species of all - If you
can let me have good specimens
of any or all the sps. in subjoined
list I shall esteem it a great favor
& shall endeavor to make good return.
I expect to start for South Fla.
next week & on my return shall be
pleased to find a pkg. from you.
Yours truly
A. H. Curtis
