

Dr. Palmer is in Cambridge. See  
Watson about him & his plants. I  
send a list of *Pellaea aspera*,  
*Chil. microphylla* & *C. alabamensis*, &  
*C. Lindheimeri* occur in the coll. from  
Texas. - *Anemia* from Mexico only.  
*Pellaea flexuosa* from both. My "*Pellaea*  
*andromedaeifolia* var. *pubescens*" is in the  
coll. & can not be so named any longer

I think *Nethol. Greenii* is in it also -  
Yours very truly  
D. C. E.
