

Charlotte, Vermont.

July 11th, 1876.

My Dear Friend:

I am glad to hear that you are answering in mind my request for 100 roots of *Williamsonia cuneata*. Will you be so good as to send them between the 20th and 25th of this month and with them 36 roots of *Woodwardia virginica* and the same number of *W. angustifolia*. I am sensible that this request will cause me some expense and trouble, but if you can conveniently attend to the matter, I will gladly remunerate you.

Later, I shall hope to be assisted by you in the way of our three mountain ferns, *A. fragrans*, *A. a. Drumii*, & *W. stellata*. Glad to hear of your success.

Yours truly,

C. C. Pringle.
