

Charlotte, Vermont.

My dear Friend, 12, Dec., 1884.

H I was surprised and delighted to receive a beautiful album of photos. You have shown excellent taste in arranging the views, and have the names all right. I have looked for your promised letter about matters. I shall want several to send Stephens, - 24, 25, 26, 27, 28, 29, 16 + 19 and for my own - 1, 2, 6, 7, 8, 14, 21, 25, 27, 33, 35-36, 15B.

My daughter has come like a good, sensible girl to spend the winter with us. I am engaged upon an herbarium to show the new autumn flora of Vermont. I have met my distributors. So far all goes well for another journey; my patrons will stay by me for North. Mex. I was with my printer.

NOTHING BUT THE ADDRESS CAN BE PLACED ON THIS SIDE
