

A

Charlotte, Vermont.

27, Jan, 1889.

Dear Mr. Tavenor,

Thanks for so many
names of ferns.

It would seem that the pinnae of
the *Aspidium* are sometimes auricled;
specimen enclosed. But is *A. falcatum*
known to grow nearer than the Sand-
wich Islands?

Yours faithfully,
C. L. Pringle.

Pringle, Cyrus G. 1889. "Pringle, C.G. Jan 27, 1889." *George Edward Davenport correspondence*
