GRAY HERBARIUM OF HARVARD UNIVERSITY,

(Orono, Me.)
BOTANIC GARDEN, CAMBRIDGE, MASS.,

Sept. 21, 1900

Dear Mr. Davenport.

We shall be very glad
of your two papers for Rhodora. I think
it possible, though I can't say until
I return to Cambridge next week, that
we may work the short note into
the October number. The other is
too long to go in that number which
is now in press.

Very truly yours

Merritt L. Fernald.

Is the var. Cristata here published
for the first time under Dicksonia?
If so we wish to indicate it in the type.

Fernald, Merritt Lyndon. 1900. "Fernald, Merritt L. Sept. 21, 1900." *George Edward Davenport correspondence*
