Dear Mr. Davenport—

I have just made a
report to Mr. Conzatti, and I am
wondering what you made of
nos. 508, Vittaria. I have asked Mr.
Conzatti for more material of
several of the numbers, as you
suggested. In regard to the new variety
no. 608, namely *Steris laciniata*, Willd.
var. *setosa*, Davenport—^{my father, Mr. E. Davenport 1823} I trust that
you will publish it at your
earliest opportunity. Please feel
free to publish any notes on the collection,
as you see fit. Thinking that perhaps

You might like to refer to your
notes on the variety I inclose
the same.

I have already for
you nearly fifty-duplicates
of Cuzatti and Gonzales' ferns.

Very truly yours,

J. M. Greenman
