

Red Bank, N. Y.

May 21st - 1876.

My dear Sir, -

I spend two days  
the last of this week in  
the "Jersey Pine" in search  
of the "*Schizaea pusilla*."

Trust I may find it but  
have some doubts. It is said  
to be extinct. Can I bring  
you anything else from this  
"Botanists Mecca"?

Have you the "*Cordamine  
rhomboides*"? - A beauty  
that is quite rare here.

Did I thank you for your  
Catalogue of ferns?

Yours A. R. Sniefeld
