

GILBERT H. HOPPIN  
BUHL BUILDING  
DETROIT

Thursday 5/27

Dear Cousin Walter.

Aunt Sophie wants  
me to answer your  
letter with her love and to  
tell you what I can of  
Uncle Austin's condition.

Up to to-day ~~to~~ we have been  
able to see the daily small  
improvement in the clarity  
of his mind and speech.  
To-day however he has  
been sleeping mostly  
(a natural sleep) and he  
has scarcely said a  
word & then only in a  
very slow, unintelligible  
way.

The doctor and nurses  
say he is doing just as  
well as can be expected.  
From Aunt Sophie, I feel,  
has been disappointed at

not seeing a greater im-  
provement to-day but  
we all noticed the ~~apparent~~  
naturalness of his sleep  
and the fact that he seemed  
very comfortable and his  
face had a good color  
and did not seem  
troubled.

I am staying in Aunt  
Sophie's apt. She has been  
very brave and insists  
on doing everything  
for herself. Their many  
kind friends in town  
have all trying to do  
so much to help her.  
It is very wonderful.

I will try to keep you  
informed of any material  
changes in the charter's  
condition

With a great deal of love  
from us both I am  
always affectionately  
yours ~~convinced~~ & devotedly  
happy
