My dear Sir

Some time ago, Mr. Leggett began a description ~~of~~ in the Bulletin of the "Librairie & Herbarium" of the U. S. This reached two parts. Mr. Bailey has recently sent a third one regarding the Olney Herbarium, which will be published in the November number. I should like to see this thing kept up till we get notes on all the larger herbaria of the country. Can you find time to prepare an account of the herbarium & botanical library of the Mass. Hort. Soc. for us? Truly Yrs.

W. R. Gerard.
