

Peterboro Sept 16th

Mr Davenport

I will send you
four plates that I have exposed
hoping that you will develop them
and make a print of each and
send one by mail, unmounted, and
keep the negs untill I call. I will
then pay you for your labor
Please write soon what you think
of the plates perhaps you can give
me an idea of exposing them &
better results. These are just exposure
prints the upright has more than
than the others. Tell me if it has
too much &c

Yours very truly
Charles F. Pierce
