Prof Walter Deane

My Dear Sir

Enclosed find the notes sent you by Mr Britton. Many thanks for the information, has copied Mrs Brittons replies. It will take some time to make the copies you desire. Nevertheless I will continue as time permits & when clear bright days give me an opportunity to copy.

There is too much uncertainty in timing during partly clear & poor light that I have determined not to do any copying at such times. Will try to add more photos. to my collection especially those you mention.

Respectfully

Eugene & Rau
