Mr. Walter Deane,

Dear Sir:-

Will you kindly give me at once
your opinion of Mr. W.W. Eggleston as a
general botanical collector. Has he an
accurate knowledge of the species of flowering
plants & ferns and has he a good eye for
variant forms? Do you know in what
estimation he is held at the Gray Herbarium?
Thanking you for the trouble, I am
Very truly yours.

H. E. Sargent.

P.S. Of course I understand that
Mr. Eggleston is the *Crataegus* specialist of
Gray's Manual, but I wish to know about
his general collecting ability -
H.E.S.
