Mr. Walter Deane,  
29 Brewster St.,  
Cambridge, Mass.

Dear Sir:—

We have to-day mailed to your address one package containing species of Panicum which you so kindly loaned us so many months ago. I hope the specimens will reach you promptly and in good order. I have written to Dr. Robinson relative to the work we have done upon the New England species of the genus Panicum which were loaned us for study.

Present my kindest regards to Mrs. Deane and believe me, as ever,

Yours truly

*F. Lamson-Scribner*  
Agrostologist.
