

I do not know when I  
can make time although  
I would like to get away  
this spring. I am just  
now busy with all kinds  
of proof reading and will soon  
have some more papers to  
send you.

I trust you and Mrs. Lane  
are both well. We all  
send love.

My dear Jane:

It has been a long  
long time since I have  
written you but I have  
often thought of you and  
we often talk of you. We  
went to go to Boston next  
year and will then see  
you & not before. Miss  
Rice had such a good time  
at Baltimore and now  
wants to go the Boston meeting  
of the A. S. S.  
Dr. J. M. Coalter & family  
will arrive in Washington

Tuesday morning for a  
week stay. They are on their  
way to Europe for a year.  
Saturday night we gave a  
party for them. Wish you  
could be here.

Thank you very much for  
remembering us all on Christmas.  
Lewis Rand is a fine story  
and we have all enjoyed  
it very much. Walter Deane  
liked the book you sent  
him. He thinks there is no  
one like you. I wish  
you could see him again  
before he is away.

We were delighted with his birthday  
present. We always put his birthday  
presents into the Savings Bank.

Mr. Lane is expecting his cousin Mrs.  
Stuart next week. We all enjoy

her visits in Washington.  
Her visit to Mr. Bowdler this winter?

Is he coming South?

We are all very well. The  
children had a lovely Christmas.
