Córdoba, Sept. 11 de 1915

My dear Deane:

He came up to Córdoba last Monday night and have used this as a base going as far as Cuzcun & Cascofuth.

He are taking back with us 4 boxes of living Cacti.

Here is located a great University and an observatory. I met Dr. Kuntz who wants to be remembered to Dr. Robinson & Miss Day.

Please excuse this hasty note.

Your friend
J. More
