

K  
In your letter you kindly  
offer to send me ferns, & say  
you must have mislaid my  
list of desiderata. I have  
not sent any list: I am  
preparing a list of those on  
hand, & then I can tell what  
I desire; & will then be very  
glad to receive any not already  
on hand. I have now about  
500, quite a number of them  
from a friend in Leipzig, who  
is curator of an institution there,  
& for whom I am collecting  
plants here this summer. He  
writes that he has 29000 species in  
his collection.

I have on hand *No. Parryi*, *No.*  
*Candida*; *C. Viscida* <sup>& *C. cooperi*</sup> if you want any.

Yours truly

H. G. Wright
