Prof. Geo. E. Davenport,  
8 Hamilton Place, Boston.  
Dear Sir

I received your Catalogue  
& kind letter some time ago,  
& have since been making up  
a suitable set of specimens to  
send you, but from one  
cause & another (chiefly the  
effort to get complete specimens)  
the package is not yet ready;  
and I write this to say that  
I have not forgotten the matter,  
but that shortly I will send all  
the smaller ferns obtainable.

Yours truly  
W. G. Wright.
